

WINSLOW TOWNSHIP BOARD OF EDUCATION
SODEXO SCHOOL SERVICES
113 CENTRAL AVENUE
BLUE ANCHOR, NJ 08037

Dear Parents/Guardians,

We are pleased to announce that Winslow Township School District offers a Breakfast Program to all students. We would like your children to participate. We want to take this opportunity to share with you information about Child Nutrition and our Breakfast Program.

A hungry child is not ready to learn. For some children, what is eaten before the school day begins contributes little to their nutritional needs. Other students choose to skip breakfast entirely! The alarming fact is that **many children skip the most important meal of the day!** Some research suggests a **HEALTHY BREAKFAST** can help children:

1. Think and concentrate better during the morning hours.
2. Tire less easily.
3. Establish positive eating habits that could continue into adulthood.

To provide sufficient time for your child to enjoy breakfast, we will open the cafeteria 20 minutes before the start of the school day.

The Meal prices are \$1.10 for a student paid breakfast, and \$.30 for a reduced breakfast. Anyone receiving a free or reduced lunch can also receive a **FREE** or **REDUCED BREAKFAST!**

Please fill out the bottom of this letter and return it to your school **if you wish your child to participate.**

Thank you in advance,
Howard Ellis, General Manager, Sodexo School Services

Lori Hudrick
Food Service Manager, 609-561-4102 ext. 7613

Student's Name: _____

School # _____ Room # _____

Yes ___ I wish for my child to participate in the School Breakfast Program.
