Winslow School District's Home School Association Launches Coin Drive to Help Haiti

By now you are aware that on January 12, 2010, a massive earthquake struck Haiti leaving many in devastation. The earthquake was the most powerful ever to hit the island nation with a magnitude of 7.0. In the coming days, months and even year, the island of Haiti will need all the support and help it can get from all mankind. Please support Winslow's Home School Association (HSA) comprised of all the Winslow District schools. All money collected will be sent to the Camden County Red Cross.

Here's what you can do:

Send in loose change with students. Containers marked "Coins from the Heart for Haiti" will be set up in all of Winslow's schools for students, parents and school staff to drop off loose change.

**The Coin Drive will run
Monday, February 1st through
Friday, February 26th.**

Thank you in advance for all your support.

Below are other options to help make a difference.

Visit the websites below to donate money to the relief fund.

**www.yele.org
www.redcross.org**

You can text "Yele" to 501501 and donate \$5 or text "Haiti" to 90999 and donate \$10. (Your cell phone bill will be charged for this text.)
