

5514 STUDENT USE OF VEHICLES

The Board of Education regards the operation by students of any vehicle for transportation to and from school as a matter subject to Board authority because pupil safety is of paramount concern to the Board.

The Board will permit the use of motor vehicles by students in grade twelve in accordance with district rules provided that such students present written parental approval, have been granted permission by the Building Principal to operate a motor vehicle on school grounds, possess a valid New Jersey driver's license, displays current registration, insurance coverage and have successfully completed a course in driver education.

The Board will permit the use of bicycles by students in accordance with district rules provided such students present written parental approval, have been granted permission by the Building Principal.

The Board prohibits the use of skateboards, scooters and in-line skates on school grounds at any time by any persons.

The Superintendent shall develop and disseminate regulations for the operation and parking of vehicles on school grounds. Permission to operate a vehicle on school grounds may be revoked for a student's failure to observe rules.

The Board will not be responsible for any vehicle that is lost, stolen, or damaged.
