

5843 LATCHKEY PROGRAM

The Board of Education recognizes the needs of children who lack adult supervision outside the school day and directs the Superintendent to establish and implement a Latchkey Program for the care of such children in grades Pre-Kindergarten through eight.

The Board will provide suitable district facilities, staff, and supplies for the conduct of a Latchkey Program at the beginning and end of the school day.

The program will be under the direct supervision of a certified teaching staff member employed by this district, who may be assisted by aides. Participating children will be offered constructive activities and proper supervision. No instruction will be offered; the Latchkey Program is not an extension of the school day and is not intended to serve the purpose of enrichment or remedial education.

The Latchkey Program is open to students enrolled in this school district provided both of the student's parent(s) or legal guardian(s) are employed, or the student's single parent(s) or legal guardian(s) is employed, during the hours during which the program is offered. Only duly registered children will be permitted to participate in the program. The Latchkey Program is not intended for the temporary or intermittent custodial care of children. A parent(s) or legal guardian(s) may register his/her child for the Latchkey Program at the school office by presenting a signed affidavit that because of the parent's or legal guardian's employment there is no responsible adult regularly at the child's home to care for the child. The affidavit will include the name, address, and telephone number of each parent or legal guardian's employer. The Board reserves the right to verify a parent or legal guardian's affidavit.

In order to defray the costs of the Latchkey Program, such as additional salaries, supplies, facility operation, and additional insurance coverage, parent(s) or legal guardian(s) of participating children will be charged sliding-scale fees based on the family's capacity to pay, payable in advance.

The Board will not transport students to or from school to enable their participation in the Latchkey Program. Transportation must be furnished by the parent(s) or legal guardian(s), or a responsible person appointed by the parent(s) or legal guardian(s). The Board may remove from the program a student whose parent(s) or legal guardian(s) persistently disregards his/her responsibility to pick the child up promptly.

Students who participate in the Latchkey Program are subject to the rules and regulations of this district and may be disciplined for infractions of those rules. A student's chronic misbehavior may result in the student's removal from the program.
