Winslow Township is proud to offer a new, free sports recreation program called the “All-Star Program”.

The All-Star Program is a community-based buddy sports program for children with special needs.

Our inaugural season will feature indoor soccer. Our goal is to focus on the basic soccer fundamental skills along with emphasizing the importance of making friends and having fun!

Activities and games take place Saturday mornings with each activity lasting approximately 1 hour.

The program consists of trained, certified coaches, buddies and dedicated volunteers.

If you are interested in learning more details about the program and or volunteering opportunities please go to our website:
