XV. OLD BUSINESS

Ms. McClendon

Ms. McClendon asked Dr. Poteat if there was any further information on hosting additional vaccination days in August and September for our students and community. Dr. Poteat explained that he had spoken with the Camden County Department of Health Director who requested the District touch base later in the summer to find out their availability. Dr. Poteat also explained that the Director expressed concern that previously of the 297 participants that signed up only 189 showed up to receive their first dose of the vaccine. Dr. Poteat stated that the amount of staff that is brought to the site and paid is based on the number of participants that signed up. The Department of Health wants to be cost efficient and make sure that appointments are kept.

Ms. McClendon also inquired if the District knows the number of students that received their first dose of the vaccine but did not return for their second. Dr. Poteat replied that we cannot know this information due to privacy laws but we could compare the 189 that received their first dose of the vaccine and returned to get their second.

XVI. NEW BUSINESS

Ms. Peterson

Ms. Peterson shared that she has been very pleased with the acknowledgment of our students that have achieved academic excellence and the different student engagement activities in their portfolios. She was impressed by the Class of 2021 Valedictorian at last week's Graduation Ceremony and how she had to overcome being bilingual and still managed to achieve such academic excellence.

Based on Ms. Peterson's research over the last seven years the students have self-disclosed having received between \$3 million and \$7 million in scholarship funding. Ms. Peterson made a recommendation for consideration that plaques be displayed to publicly acknowledge the hard work of the Valedictorians and Salutatorians. She asked for discussion. Discussion ensued.

Ms. Pitts

Ms. Pitts shared how proud she was and provided her sincerest thanks to the Class of 2021. She shared how impressive the speeches were at the Graduation Ceremony. She praised the Class of 2021, the Valedictorian and the Salutatorian.

Ms. McClendon and Mr. Shaw also shared praises to the families of the Valedictorian and Salutatorian, as well as to the Class of 2021.

XVII. INFORMATIONAL ITEMS

Dr. Poteat

Dr. Poteat shared that the Return to School Plan is available for review. A letter was sent to parents explaining the plan and parents were encouraged to participate in the Public Comments section of tonight's Board Meeting with their questions and concerns. Dr. Poteat explained that the plan is a working document and can be updated as needed. Dr. Poteat received questions already surrounding the plan, including mask requirements for the return to school. He explained that it is too early to know whether masks will be required. Other questions and responses he received and responded to included clarifying that students will be attending in-person full time rather than hybrid. He also explained there were questions about the locker rooms being cleaned after each gym class but the logistics will make it difficult, so it will need further discussion. There were also several other questions that Dr. Poteat explained will need further discussion.

One question that Dr. Poteat wanted to present to the Board was about chromebooks being issued to each student next year, particularly in the High School. He explained that this year the District was unable to collect 624 chromebooks, 213 of which were from the High School, as well as 81 hotspots. These numbers do not include the number of chromebooks that were damaged beyond repair that parents are declining to pay for.

Ms. Pitts asked the Board to provide their thoughts on the information Dr. Poteat shared. Ms. Peterson shared that the estimated costs for the unreturned chromebooks and hotspots is over \$130,000.00. Discussion was had among the Board about the costs, as well as concerns about the original contract that was made with the parents regarding the issued chromebooks. Ms. Pitts suggested that the policies be reviewed at the Board Retreat and that a new policy may need to be adopted to address these circumstances.

Dr. Poteat also shared that the American Rescue Plan - Elementary and Secondary School Emergency Relief (ARP ESSER) Funds, estimated at \$8.5 million, will be made available for use. Dr. Poteat would like input from parents and stakeholders on how the funding should be used and explained that a survey will be available to the community with recommendations made by the Board and District on how the funding could be used. The survey will allow the participant to agree or disagree with the plan, as well as an area for open input on what else the participant thinks the funds could be used for. Short discussion was had about using the survey and obtaining the information from the community before taking any further steps with projects.

Dr. Poteat explained that due to the pandemic many children are missing required vaccines to attend school in-person. There are immunization requirements, per law, and Dr. Poteat strongly encourages that parents make sure their children have their immunizations prior to the start of school in September. This may require parents scheduling doctors' appointments as soon as possible.

The District is being proactive with student attendance for the upcoming school year. Dr. Poteat stated that the attendance office is handling outreach prior to the opening of the schools, particularly to those that were held back, in the hopes of addressing any issues prior to September.

Summer school begins Tuesday, July 6, 2021. Transportation and all notices will be mailed June 28, 2021, including bus stop and school location. Grades 1-3 will be using Schools #3 and #4, Grades 4-6 will be using School #6, and Grades 7-12 will be using the Middle School and High School. The District is using the schools with the most air-conditioned classrooms.

Finally, Dr. Poteat shared that the Before and After School Program received a surprise visit from the State a few weeks ago and that the program was recertified through January 2024. Dr. Poteat commends Mr. Jack Mills and his staff for maintaining their program and doing a great job.

Ms. McClendon

Ms. McClendon shared her personal experience in the Policy Committee's policy surrounding the 14-day quarantine from Covid-19 exposure. She requested the Policy Committee revisit the policy and consider adjusting it by adding qualifying factors to the policy and the rule about 14 days of quarantine. Dr. Poteat provided his insight on the policy, the support behind it, and the role the Camden County Department of Health played in the recommendations in creating the policy.

Ms. Pitts

Ms. Pitts shared that the date of the Board Retreat is tentatively scheduled for August 2, 2021. Ms. Terri Lewis explained that she is not available on any Saturdays in July. The date of the retreat will be finalized at the July 28, 2021 Board Meeting.

Ms. McClendon

Ms. McClendon commended Dr. Poteat and the Administration on a great job with the 8th Grade Moving Up Ceremony and High School Graduation Ceremony. She thoroughly enjoyed the outdoor ceremonies and recommended we have an outdoor 8th Grade Moving Up Ceremony every year.

Ms. Moore

Ms. Moore requested clarification on what extent the District will be returning to regular activities in the upcoming school year such as Back to School night. Dr. Poteat explained that the plan is to resume all normal activities that were done prior to the pandemic. Dr. Poteat also wanted to include that many people are still not vaccinated and there is a new variant that could reverse any intentions of resuming normal activities, but the hope is to return to pre-pandemic activities without a problem.

Mr. Blake

Mr. Blake wanted to know if Summer School would be available to everyone or just a select cohort of students. Dr. Poteat explained the students with the greatest need were identified and asked to participate since the District did not have the resources to include every student that could have wanted to join.
