**Ms. Pitts**

Ms. Pitts shared that the Board has enough resources to provide the plaque for Ms. McClendon and thanks Ms. Stephanie Simmons for the generous offer to sponsor it.

At the upcoming January 26, 2022 Board Meeting the New Jersey School Boards Association Representative, Ms. Terri Lewis, will be hosting the Annual Ethics Training for the Board. The meeting may be in person or remote. Everyone will be notified closer to the date of the meeting.

The Board advertised for members for the Citizens Advisory Committee and 10 people have applied. Four of the applicants are previous members of the C.A.C. and will not need to be interviewed. The remaining six applicants will be asked to come in for a brief interview on January 26, 2022 beginning at 6:00 pm for only 5-10 minutes. The first C.A.C. meeting will be Thursday, February 3, 2022 at 7:00 pm.

Ms. Moore requested clarification on the plaque for Ms. McClendon. Ms. Pitts replied that we are thankful for Ms. Simmons' offer but will be providing the plaque through Board resources.

**Dr. Poteat**

Dr. Poteat shared that Governor Murphy reinstated the public health emergency. Executive Order 281 states that masks must be worn indoors until further notice. Unvaccinated staff must receive Covid-19 tests on a weekly basis. Many of the current health protocols will remain in place.

Executive Order 281 also states that schools must remain open for face-to-face instruction. We plan to reopen on Tuesday, January 18, 2022. Dr. Poteat will be asking the building administrators to reach out to the teachers as soon as possible to find out how many will be able to return. He will be asking the transportation department to find out how many bus drivers will be available as well.

New requirements were provided to the District regarding isolation and quarantine. These requirements are more drastic than what is currently in place and Dr. Poteat has not had the chance to review them with the building principals. The constant changes in requirement can be difficult to keep up with and explain to the parents and community. Dr. Poteat asked for patience while he reviews these requirements before they are available to the public.

**Mr. Blake**

Mr. Blake asked if students will be returning the Chromebooks when they return on January 18, 2022. Dr. Poteat said the students will keep the Chromebooks at home for now in the event remote instruction resumes. The Chromebooks will need to be returned to the schools prior to the State Assessment in April.

## 1648.13 SCHOOL EMPLOYEE VACCINATION REQUIREMENTS

In accordance with Executive Order No. 253 signed by the Governor of New Jersey on August 23, 2021, the Board shall adopt and maintain a policy that requires all covered workers to either provide adequate proof that they have been fully vaccinated or submit to COVID-19 testing at a minimum of one to two times each week.

This requirement shall take effect on October 18, 2021, at which time any covered workers that have not provided adequate proof to the school district that they are fully vaccinated must submit to COVID-19 testing at a minimum of one to two times each week on an ongoing basis until fully vaccinated.

For purposes of Executive Order 253 and this Policy, “covered workers” shall include all individuals employed by the Board of Education, both full and part-time, including, but not limited to, administrators; teachers; educational support professionals; individuals providing food, custodial, and administrative support services; substitute teachers, whether employed directly by the Board of Education or otherwise contracted; contractors; providers; and any other individuals performing work in the school district whose job duties require them to make regular visits to the school district, including volunteers. Covered workers do not include individuals who visit the school district only to provide one-time or limited duration repairs, services, or construction.

A covered worker shall be considered “fully vaccinated” for COVID-19 two weeks or more after they have received the second dose in a two-dose series or two weeks or more after they have received a single-dose vaccine. Individuals will only be considered fully vaccinated after they have received a COVID-19 vaccine that is currently authorized for Emergency Use Authorization (EUA) by the United States Food and Drug Administration (FDA) or the World Health Organization (WHO), or that are approved for use by the same.

Workers who are not fully vaccinated, or for whom vaccination status is unknown, or who have not provided sufficient proof of documentation, shall be considered unvaccinated in accordance with the provisions of Executive Order 253.

Covered workers shall demonstrate proof of full vaccination status by presenting any of the following documents if they list COVID-19 vaccines currently authorized for EUA by the FDA or the WHO, or that are approved for use by the same, along with an administration date for each dose:

1. The Centers for Disease Control and Prevention (CDC) COVID-19 Vaccination Card issued to the vaccine recipient by the vaccination site, or an electronic or physical copy of the same;
2. Official record from the New Jersey Immunization Information System (NJIIS) or other State immunization registry;
3. A record from a health care provider's portal/medical record system on official letterhead signed by a licensed physician, nurse practitioner, physician's assistant, registered nurse, or pharmacist;
4. A military immunization or health record from the United States Armed Forces; or
5. Docket mobile phone application record or any State specific application that produces a digital health record.

The Board of Education's collection of vaccination information from covered workers shall comport with all Federal and State laws, including, but not limited to, the Americans with Disabilities Act, that regulate the collection and storage of that information.

To satisfy the testing requirement of Executive Order 253 and this Policy, an unvaccinated covered worker must undergo screening testing at a minimum of one to two times each week, to be determined by the Superintendent of Schools.

An unvaccinated covered worker is required to submit proof of a COVID-19 test. The unvaccinated covered worker may choose either antigen or molecular tests that have EUA by the FDA or are operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

Where a Board of Education provides the unvaccinated covered worker with on-site COVID-19 test(s), the school district may similarly elect to administer or provide access to either an antigen or molecular test.

School Employee Vaccination Requirements

If the covered worker is not working on-site in the school district during a week when testing would otherwise be required, the Superintendent or designee may not require the worker to submit to testing for that week. This requirement shall not supplant any requirement imposed by the Board of Education regarding diagnostic testing of symptomatic workers or screening testing of vaccinated workers.

The Board of Education shall track test results required by Executive Order 253 and must report those results to the local public health department.

Nothing in Executive Order 253 and this Policy shall prevent a Board of Education from revising this Policy to include additional or stricter requirements, as long as such revisions comport with the minimum requirements of Executive Order 253.

Executive Order 253 authorizes the Commissioner of the Department of Health (DOH) to issue a directive supplementing the requirements outlined in Executive Order 253, which may include, but not be limited to, any requirements for reporting vaccination and testing data to the DOH. Actions taken by the Commissioner of the DOH pursuant to Executive Order 253 shall not be subject to the requirements of the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq.

This Policy shall be supplemented by Policy 1648.11 – Appendix A, which shall include the school district’s protocols implementing the provisions of this Policy.

The Superintendent is authorized to implement revisions to provisions in this Policy based on any subsequent Executive Orders or any additional mandates that affect any provisions of this Policy. Any such revisions in this Policy shall be submitted by the Superintendent to the Board of Education for ratification if the Board cannot approve such revisions before the effective date.

    - a. To reach this determination, the decision-maker will apply the preponderance of the evidence standard, which shall be the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment pursuant to 34 CFR §106.45(b)(1)(vii).

  - (a) The sixty calendar day time frame does not include the appeal process.
- (7) Remedies and supportive measures that do not impact the Respondent should not be disclosed in the written determination; rather the determination should simply state that remedies will be provided to the Complainant.

## E. Appeals

1. The school district will offer both parties an appeal from a determination regarding responsibility, and from the Title IX Coordinator's dismissal of a formal complaint or any allegations therein in accordance with 34 CFR §106.45(b)(8)(i).
2. As to all appeals, the school district will comply with the requirements of 34 CFR §106.45(b)(8).
3. The Superintendent shall designate an appeal officer for each appeal filed.

    - (1) Procedural error refers to alleged deviations from school district policy, and not challenges to policies or procedures themselves;
  - b. There is new evidence that was not reasonably available at the time of the hearing and that could have affected the outcome;
  - c. The decision-maker had a conflict of interest or bias that affected the outcome;
  - d. The determination regarding the policy violation was unreasonable based on the evidence before the decision-maker;
    - (1) Appealing on this basis is available only to a party who participated in the hearing; and
  - e. The sanctions were disproportionate to the hearing officer's findings.
7. The appeal must be submitted in writing to the Title IX Coordinator within ten calendar days following the issuance of the notice of determination.
8. The appeal must identify the ground(s) for appeal and contain specific arguments supporting each ground for appeal.
9. The Title IX Coordinator shall notify the other party of the appeal, and that other party shall have an opportunity to submit a written statement in response to the appeal, within ten calendar days.

11. The appeal officer shall decide the appeal considering the evidence presented at the hearing, the investigation file, and the appeal statements of both parties.
12. In disproportionate sanction appeals, input the parties provided during the meeting may also be considered.
13. The appeal officer shall summarize their decision in a written report that will be sent to the Complainant and Respondent within twenty calendar days of receiving the appeal.

## F. Remedies

1. The Title IX Coordinator shall be responsible for effective implementation of any remedies in accordance with 34 CFR §106.45(b)(7)(iv).
2. Following receipt of the written determination from the decision-maker, the Title IX Coordinator will facilitate the imposition of sanctions, if any, the provision of remedies, if any, and to otherwise complete the formal resolution process.
3. The appropriate school official designated by the Superintendent, after consultation with the Title IX Coordinator, will determine the sanctions imposed and remedies provided, if any.
  - a. The imposition of sanctions or provisions of remedies will be revisited by the Title IX Coordinator following the appeal officer's decision, as appropriate.
4. The Title IX Coordinator must provide written notice to the parties simultaneously.
5. The school district must disclose to the Complainant the sanctions imposed on the Respondent that directly relate to the Complainant when such disclosure is necessary to ensure equal access to the school district's education program or activity.

## G. Parent Rights
