XV. INFORMATIONAL ITEMS

Dr. Poteat discussed the following informational items:

- Clarification on Cultural and Climate Survey with Ms. Pitts.
- Nyasia Doyle was selected by her peers to be the new Senate President. She will be sitting with the Board at our next meeting.

- Last year in Camden County, a student in one of our neighboring school districts overdosed on a school bus. We have had discussions with the Camden County Health Department in regards to making sure our bus drivers are prepared, if something of that nature were to occur. The opioid pandemic has spread and South Jersey has the highest number of opioid incidents and tragedies. Dr. Poteat spoke with Ms. Wall and Ms. Boyle about preparing our bus drivers. A week prior to the start of the school year, all of our bus drivers were trained by the Camden County Health Department on how to administer Narcan nasal spray. Each bus driver received an overdose emergency kit. We hope that our bus drivers never have to use it. Bus drivers were assured that they would not be held liable for attempting to save someone's life. In the event there is an incident and the emergency kit is not on the bus, then the bus driver could be held liable.
- Dr. Poteat briefly went over the Winslow Township Parent Visitation Guidelines. They will be provided to the parents and teachers prior to Parent Visitation Day. Two parents were fighting today at School 3 during dismissal. It is the second incident we've had this year on school grounds and that is why the guidelines have been put in place. A discussion ensued. The building Principal's will be preparing a cover letter to go with the visitation guidelines.
- The pipeline replacement project is on schedule for October 9, 2023 through December 2023. The starting time has changed to 9:00 a.m. to 5:00 p.m. Monday through Friday. Saturdays are from 7:00 a.m. to 5:00 p.m. There may be delays during school dismissal.
- The tentative student enrollment is open until October 15, 2023. Currently, our student enrollment is at 4,962. The Education Committee and the Townships Education Liaison Committee will meet Tuesday, October 3, 2023 at 2:30 p.m. at the Administration Building. Ms. Pitts commented that at the last Township Committee meeting, which took place on September 12, 2023, she asked the Mayor if their Township Education Committee would be available to meet with our Education Committee. A discussion ensued.
- Today, we had a follow-up meeting with our Public Information Officer, Ms. Lori Perlow. She provided us with an extensive amount of information. She gave an overview of our newsletters, social media, and our district and school websites. She also presented us with a tentative planning timeline and her recommendation on things we should be doing. We have other meetings scheduled to move forward. Mr. Thomas inquired about a press release component.

XVI. OLD BUSINESS

Mr. Thomas shared that our band came in first place this past week. They have been an award-winning band over the past seven or eight years.

XVII. NEW BUSINESS

Ms. Pitts discussed the following new business:

- Applications are available for those in the community who are interested in signing up to be a part of the Citizens Advisory Committee. Interviews will be set up in November. Those who are currently on the committee and wish to stay on may let the Board know. Applications are on the district's website and Facebook page.

- Board members may have received information about the 100% Club from the New Jersey School Board Association (NJSBA). They would like every single district, specifically Gloucester and Camden, to have 100% participation in this year's workshop.
- Ms. Pitts sent Board members an email that she received from Dr. Latasha Casterlow-Lalla. She wanted us to spread the word about the National Pan-Hellenic Council of Central Jersey. They are scheduling a Teen Town Hall event to educate teens and young adults on current political events and to discuss their ideas. The event is taking place on Saturday, October 7, 2023 in Scotch Plains, NJ. Ms. Pitts will reach out and let her know that she shared this information with the Board. There are three additional events that will be taking place on October 7, 2023. Stella's Fall Festival, Winslow Township's Fall Festival, and the Camden County Vo-tech Food Truck Festival are all scheduled for October 7, 2023 and she hopes that the information gets shared with people in the community.
- Mr. Thomas spoke about newly enacted news throughout the district. The Public Information Officer is newly enacted, and that is something that the community discussed a couple of years ago. The Superintendent and his Administration heard that cry. We have a new Violence Policy and Discipline Policy that has been newly enacted. He also mentioned the dress code, the digital media team, Narcan on the bus and press release worthy news being newly enacted. We heard the community regarding these things that are being enacted.

XVIII. PUBLIC COMMENTS (Time Limited)

The Winslow Township Board of Education highly values the input of citizens in making important decisions that affect the children of our community. We also believe in the rights of citizens to observe Board Meetings. To ensure that all of our citizens have the opportunity to attend School Board Meetings and offer comment, and to ensure that the Board can conduct the important business of the District, we ask that speakers follow the guidelines for making public comments.

Notation of Public Comments on Agenda Items – The Board President or Board Secretary will recognize those individuals in the audience who wish to make comment.

A motion was made by Ms. Nieves, seconded by Ms. Thomas, to open the meeting for Public Comments at 8:43 p.m.

Voice Vote: All in favor

Robert Nevitt

Mr. Nevitt is the President of WTEA. He appreciated Dr. Poteat addressing many of the concerns that the association members had regarding Parent Visitation Day. Mr. Nevitt spoke on behalf of the WTEA members and addressed additional concerns raised.

Christy Renzulli

Ms. Renzulli saw amazing interaction between teachers, students and families at back-to-school night. It was well organized and the building looked fantastic. She also wanted to express her concerns regarding the Citizens Advisory Committee coming to the Board at the end of last year with a formal recommendation for the Climate Survey. They knew it would be a heavy lift. The Board decided to hold the discussion until later. The real discussion was held on September 18th. She will remain hopeful. Anonymity must be maintained.

XIX. ADJOURNMENT OF PUBLIC COMMENTS

A motion was made by Ms. Nieves, seconded by Ms. Thomas, to close the meeting for Public Comments at 8:54 p.m.

OPERATIONS COMMITTEE MEETING MINUTES

5:30 p.m. Tuesday, Sept. 26, 2023

Virtual – WebEx

The Operations Committee met on Tuesday, September 26, 2023 at 5:30 p.m. In attendance were Ms. Dredden, Committee Chair, Ms. Esposito, Ms. Boyle, Ms. Chico and Dr. Mills. The following items were discussed:

1. 2021-22 Capital Project Status:

Fire alarms Schools 1, 2, 3 & Schools 5 & 6

Both Projects are complete.

Security Alarms at the High and Middle Schools

The project is substantially complete. LAN sent a list of required Close-Out documents to the vendor on 8/3/2023. LAN will follow up with the vendor regarding the status of the close-out documents.

Walk-in Refrigerator/Freezer Boxes at Schools 3, 4, 5 & 6

This project is also substantially complete and all Close-out documents were forwarded to District.

School 6 Main Office HVAC Replacement

The Project is substantially complete. LAN will contact the vendor again regarding the close-out of the project.

Capital Projects

The **Circulation pumps** at schools 1, 2, 3, 4 and the Middle School, and the **Middle School façade repairs and painting** both required additional funding which was anticipated in the 2023-24 budget. We will confer with LAN to find the best date to re-bid both projects.

High School HVAC Upgrade – Bid documents were submitted to the Office of State Comptroller (OSC) for review. They had several comments. We will coordinate with LAN and the Board Solicitor to address the issues and resubmit the bid to the OSC.

School 6 HVAC Upgrade – Regular Operating District (ROD) grant money was made available to assist with certain capital projects. We were recently made aware that the District was allocated funds towards the project. The State will send out Preliminary Eligible Cost letters and Final Eligible Cost letters to the Districts. We cannot award a project prior to receiving the Final Eligible Costs Letter or we will lose the funding.

2. Before and After School Programs – Dr. Mills

Staffing continues to be a challenge during the 2023-2024 school year. Dr. Mills remains hopeful that the District will be in a position to offer services at levels previously offered.

3. The Long-Range Facilities Plan (LRFP)

The LRFP will need to be updated by January 2024. The District has begun the review of the current plan for uncompleted projects that may be rolled in. We have also had a meeting with the Facilities Team for their input. The Leadership Team will continue our review. However, we will need the architect to assist with the final process.

The meeting adjourned at: 6:27 p.m.

Winslow Township School District Education Committee
Meeting Minutes
District's Administrative Building|Tuesday| September 19, 2023

- I. The Education Committee meeting was called to order at 4:05 p.m., September 19, 2023, District's Administrative Building

- II. In Attendance:
 - A. Board Members: Julie Peterson and Rita Martin
 - B. Administrative Dr. Dorothy Carcamo Assistant Superintendent/Education, Committee Liaison member, and Dr. H. Mayor Poteat, Superintendent

- III. Discussion Topic:
 - A. New Jersey School Climate Improvement Platform (NJSCI)
The New Jersey School Climate Improvement (NJ SCI) Survey was developed by the School Climate Transformation Project (SCTP) at Rutgers University in collaboration with the New Jersey Department of Education (NJDOE).
 1. It is a free online tool for data-guided school climate improvement currently used by a growing network of over 130 districts (Operating School Districts in NJ 593/Charter Schools – 85/Renaissance Schools – 3, Non-operating School Districts – 16) and 400 schools throughout NJ.
The platform offers:
 - a) Resources to support team development, a calendar of suggested meeting topics agendas, and notetaking tools
 - b) The NJ SCI Survey, a validated school climate instrument available in 33 languages for students and families, that is administered electronically to students in grades 3-12, staff, and parents/caregivers
 - c) Interactive data reports with insights and the ability to compare perceptions within and across schools and by groups (e.g., grade, gender, race/ethnicity)
 - d) Data analysis features for exploring school climate strengths and needs plans, including interactive graphs to monitor progress over time
 - B. Components
Guidance on School Climate Leadership Team Development
The School Climate Leadership Team (SCLT) drives the School Climate Change Process (SCCP) through the enactment of effective problem-solving practices, including data collection, analysis, and prioritization of needs, as well as strategic planning through goal setting, strategy implementation, and progress monitoring.
 - C. Team Composition
 1. School Climate Leadership Teams consist of members with diverse roles, including teachers, counselors, support staff, and administrators in each building.
 2. Each Team member is responsible for completing all training modules ranging from 20 - 90 minutes.
 3. To accomplish the Team tasks and responsibilities, the Team should plan to meet with the flexibility to meet more often or for longer blocks of time, as needed, as a whole team or in sub-committees.
 4. Administrators should take the time at the beginning of the school year to set up the calendar with the Team and schedule standard prep time for the Team members.

IV. Guidelines

A. Data Coordinators

1. The NJ SCI survey is anonymous, and participation is voluntary for all groups; individuals may decide not to take the survey or skip some of the items on the survey.
2. Students must understand that participation in the survey is their choice and that their decision will not affect their grades.
3. Students can skip any question they are uncomfortable answering on the survey, including questions about their background.
4. Some items on the student surveys may require that the district conduct a passive consent process under Active Parental Consent and Passive Parental Consent statutory law. The District's Superintendent/Chief School Administrator should consult its counsel for guidance on compliance with all applicable laws and policies relating to parental consent for surveys.

B. Survey Administration Schedule

1. Two version of the student script as well as two student survey links
2. Students that opt out of survey
3. Method
 - a) Length of time
 - b) Coordinate space and technology
 - c) Plan for additional accommodations for students, as necessary

V. Strategies for Consideration

- A. Feedback from Other Districts
- B. District's Preparation
- C. Training of Building Teams (Compensation)

VI. Next committee meeting is scheduled for 4:00 pm, Tuesday, October 17, 2023, via District's WebEx

VII. Meeting adjourned at 6:00 pm
