The Kids' Heart Challenge is an annual event that students across the country participate in each year. The students at School #3 love participating in this challenge because they get to learn about their hearts and how they work, raise money to help others, and learn new ways to incorporate physical activity into their daily lives. They also learn life saving skills such as CPR and identifying the signs of a stroke. Last year, School 3 raised over \$4,000 which exceeds all schools in our district. This year we plan to raise more money for those with heart conditions, spread awareness, learn to keep our hearts healthy, and lastly, build a community that looks out for one another. We would like to host this challenge for the month of February - starting with the fundraising and learning. Then we would like to have our closing ceremony on Friday, February 27, 2026 to celebrate our schools accomplishments and honor the students who have gone above and beyond throughout the challenge.

Duration: Feb 2-27

Alex's Lemonade Stand

School 6 would like to host an Alex's Lemonade Stand on Thursday May 28, 2025 from 1:30pm to 2:30pm. This stand would raise donations to donate to childhood cancer research. If selected by ALSF, School 6 would also receive a free assembly, presented by a childhood cancer survivor to help spread awareness.

This would be a student run lemonade stand, where students would take initiative to advertise, collect donations, and distribute goods. We would reach out to local businesses to solicit donations of lemonade and soft pretzels, as well as writing invitations to members of the community (first responders, board members, administrators, etc.). Students participating would "purchase/donate" \$2 ahead of time to receive a pretzel and glass of lemonade. Our goal for our first ever Alex's Lemonade stand would be to make a donation of \$500.
